

**A NOTE FROM THE DESIGNER:** Hi! My name is Rebecca Mager and I have been investing in real estate for over ten years now. I am hands on in each deal from start to finish and what I have learned to be extremely important that many people forget is the attention to design. Colors and finishes are the first thing that most buyers are attracted to, so I like to put special care and a custom feel on each home I touch. If you need any help on a rehab or design project, please don't hesitate to contact me at [TheElementHomes.com](http://TheElementHomes.com).
